Dear Salutation Last name,

Thank you for supporting students in the Early Childhood Education program over the last five years through your <Name of award>.

We are proud and humbled that you chose to continue your award after your Alumni of Distinction win. Since its inception, your award directly affected students by providing them with some financial relief so they could focus on their studies. Your generosity reminded them their dreams are meaningful and achievable.

In reading the thank you letters from student recipients, their words of appreciation, relief, and hope for the future are because of your desire to help others.

We are proud to have you as a supporter and as an Alumni of Distinction. It is not everyday you can say you made a difference in the life of a student, but you can. Thank you for sharing our commitment in delivering quality education to our students.

If you wish to discuss the impact of your gift or have any questions, please let me know. Contact me at (905) 123-4567 or
